Sodexo is the global leader in services that improve Quality of Life, an essential factor in individual and organizational performance. Operating in 72 countries, with a workforce of 460,000 employees, Sodexo is the 19th largest private employer worldwide.

Our conviction is that doing good business in a good way has a powerful positive impact on the 100 million consumers we serve every day. Working in our more than 100 professions, we share a passion for serving others and create quality of life through our unique wide range of On-site Services, Benefits and Rewards Services and Personal and Home Services.
ENERGY & RESOURCES WORLDWIDE

Our On-site Services activity provides an integrated offering of Food Services, Facilities Management Services and Workplace & Technical Services in a variety of working and living environments, including the Energy & Resources sector.

Our integrated offering to the Energy & Resources segment improve employees’ well-being working in isolated, extreme conditions contributing to a better performance on the job – whether on a mine site in a remote area, an onshore energy field or on an offshore platform.

OUR MINING BUSINESS WORLDWIDE

Our Mining teams are dedicated to improving our clients’ efficiency and competitiveness, supporting on-site operations, providing sustainable opportunities for local communities and creating a safe, healthy and comfortable environment for the thousands of residents in some of the planet’s harshest climates who call work and live on remote locations.

• We provide services to small, medium and large-scale mining clients and projects in more than 20 countries

• Our market-leading Integrated Facilities Management (IFM) platform allows us to optimize service provision to clients, providing a one-stop-shop for all project needs.

• Our deep consumer knowledge and the use of technology to gather data insights centrally, enable us to manage client assets and services in real-time, predict future requirements and deliver on operational targets.
